CHRISTMAS EDITION

Welcome from Inspector Knight

Hello again and welcome to the latest edition of Tameside South and West newsletter. Christmas is well on its way to sneaking up on us as it does every year and it has brought with it some very cold weather. I'd like to first of all pass on some safety messages around the weather, in view of the tragic incident in Solihull recently. We have lots of ponds, lakes and other areas of open water which are liable to freezing in the current temperatures. Please make sure your children are aware of the high risks of setting foot on these bodies of water when they look frozen. The reality is that the first inkling you'll get of it not being frozen is when it cracks and you fall through. Losing four children is a huge tragedy and one I would hate for us to experience here, especially at this time of year.

Moving onto some good news around the issues we have had with mopeds and off road bikes, we recently recovered two mopeds that were being used illegally from the Denton area. That is four now that the team has seized and it is beginning to make a massive impact on those communities who's lives are blighted by these vehicles. I would continue to ask the community to pass on any details via Crimestoppers of where these bikes are being stored, whether outside, in lock ups or in people's back gardens. We will utilise search warrants, joint partner visits with housing and other means to get these bikes seized if they are illegal or being ridden in an anti-social manner. The more disruption we can cause over the winter and early spring will result in less of these bikes being ridden in the summer.

From a burglary perspective, the good work earlier in the year is continuing in the darker nights. Whilst we have recorded a slight increase in the last few weeks, this is not what we would have expected at this time of year. Please continue to report anything suspicious and let the team know when you see them out and about if you're not happy about someone in the area. There will be further operations running to target our burglars over the next few weeks both in uniform and plain clothes to ensure that there is no hiding place for them.

One last plea from myself is around vehicle crime. Please make sure that you lock your vehicle and don't leave any valuables or cash on show. If you can, get your number plate fitted with anti-tamper screws which will stop them being stolen and then cloned to be used in crime.

Next week will be Operation Avro coming to the district again. This is the force supplying additional staff to pulse large numbers of resources onto a district. There will be a great deal of action taking place from search warrants, targeted traffic patrols, speed enforcement and plenty of arrests. I will update you on the success next month.

In the meantime, stay warm, stay safe and please report anything suspicious.

COMMUNITY SPEED WATCH

In response to public feedback regarding speeding vehicles, we will shortly be rolling out a new local Community Speedwatch Scheme (CSW) and are now looking for volunteers from the public.

The aim of the CSW scheme is:

- Reduce death and injury on the roads
- Reduce the speed of vehicles to the speed limit
- Increase public awareness of inappropriate speed
- Improve the quality of life for local communities

If you would like more information on how to become a volunteer, please complete the application form on the Greater Manchester Police job vacancies page - Community Speed Watch Volunteer G Division 1889210, Ref:1889210

DARK NIGHTS...

HELP LIGHT FINGERS

**KEEP BURGLARS OUT IN THE DARK
REMEMBER ALARM, LOCKS, LIGHTS**

IT'S EASY TO MAKE IT HARD FOR BURGLARS

- Put your burglar alarm on at night-time and when you go out
- Lock all windows and doors
- Use a timer to switch lights on to give the impression someone is at home
- Don't leave valuables on show
- Make valuable items traceable. Photograph your property and register it free of charge at www.immobilise.com
- Keep an eye out in your neighbourhood, and report anything suspicious to police

A57 Manchester road ,Hyde	09:33 - 10:00	Offenders: 10 Highest speed: 44
A635 Stamford Street Ashton under Lyne	12:00 - 12:40	Offenders: 1 Highest speed: 39
A560 Mottram Old Road, Hyde	17:31- 17:57	Offenders: 9 Highest speed: 55

CHRISTMAS BIKE SALE

On Saturday 26th November the Hyde Godley Neighbourhood Team assisted Tameside Council, Manchester Bike Kitchen and Jigsaw Housing at their Christmas Bike Sale in Hyde Clarendon Shopping Mall.

Manchester Bike Kitchen is a non-profit organisation that takes in donated bikes, restores them and sells to local people for a small cost.

Over 60 bikes went home to new owners, 6 donations received, and several residents had their bikes repaired and security marked for free using our Bike Register kit.

#McrBikeKitchen #BikeRegister

If you would be interested in joining your local Neighbourhood Watch Scheme, please email Tamesidesouth@gmp.police.uk with you name and address for the attention of OSO 62771

Remember, you can always report information to the Police anonymously through **CrimeStoppers** (0800 555111)

FIGHTING SHOPLIFTING

CHARGE

A prolific shoplifter named Ethan CURRAN DOB 04/01/1998 from Droylsden has been charged and convicted as of 23/11/2022 for three theft offences and a public order offence at Crown Point North Retail Park in Denton. Ethan CURRAN was also charged and convicted with another two theft offences and two breach of a Criminal Behaviour Order at Greenside shopping precinct in Droylsden.

Ethan CURRAN is now serving 10 months in prison and has a Criminal Behaviour Order banning him from entering the Crown Point North Retail Park for 2 years. This order excludes CURRAN from entering certain areas of the Denton Town Centre including Crown Point North Retail Park.

ARREST

Two suspects were arrested on the 22/11/2022 after they made off in a vehicle at Crown Point North in Denton, stopped whilst leaving the retail park by Denton North East Neighbourhood officers. The two suspects were arrested for 6 theft offences totalling £550, after stolen goods were found inside the vehicle. One of the suspects was further reported for driving with no insurance and the vehicle was seized using Section 165 of the Road Traffic Act 1988. All the stolen goods inside the vehicle were returned to the relevant stores on Crown Point North, Denton.

CHARGE

Following a police appeal for information as to the identity of a male, this person has now been arrested and charged on the 10/11/2022. This was in relation to the identity of a male involved in the theft from an elderly female on the 12th November 2022 on Worthington Way, Denton.

The male named Martin STOKES D.O.B 10/06/1985 from the Bury area, was subsequently charged with numerous offences including 4 theft offences, 1 fraud offence and possession of a controlled drug upon arrest. STOKES is remanded in custody and will be in court on Monday. This was a collective effort made by members of the public and officers from Tameside, Bolton, Stockport and Trafford division.

#OPSCEPTRE RESULTS

Operation Sceptre, a national week of intensification to tackle knife crime commenced on Monday 14 November 2022. It has seen robust action across the whole of Greater Manchester and in Tameside officers made three arrests in one night for carrying knives. The arrests took place on 18 November 2022, and all three were taken into police custody for questioning.

1. Officers from GMP Tameside Division made the first arrest of the evening in response to reports of a knife point robbery at 8pm on Market Place in Hyde. Fortunately, the victim was not injured in the encounter, and a 17-year-old suspect was rapidly detained by officers out on patrol. He was arrested on suspicion of robbery and possessing a bladed weapon.
2. This positive action was followed by a successful stop and search at approximately 9pm on Copeland Street, Hyde. It came about after a member of the public provided intelligence that a 16-year-old male had discarded an item later discovered to be a knife. The suspect was swiftly pursued, detained and arrested by officers in the area.
3. The final arrest was secured at approximately 11:30pm on Birch Lane in Dukinfield. A 33-year-old man was arrested following an incident at Wheatsheaf which left another man with serious injuries that were thankfully not life-threatening or life-changing. A knife was also recovered from the scene.

Chief Superintendent Phil Davies, Tameside District Commander said: "The vigilance of Tameside officers in supporting Operation Sceptre has resulted in three positive arrests for carrying knives in public places in one night, one of which was linked to a nearby report of a robbery, and another to an incident at a public house. GMP are committed to reducing both the presence of weapons on our streets, but also the fear of violence that our communities suffer due to the actions of a small minority who have yet to recognise the intolerance we all have for their actions."

To report an incident to GMP, please call the Police on 101 or talk to us via LiveChat at www.gmp.police.uk. Always dial 999 in an emergency. Reports and concerns can also be made anonymously through CrimeStoppers on 0800 555 111 or via www.fearless.org. If you carry a knife or weapon, we urge you to surrender it at one of our 13 Forever Amnesty bins located across Greater Manchester. You can find the location of your nearest bin here.

There is no reason to carry a knife, and there is no place for knife crime. When you carry a knife, you are risking everything - prison, being a victim of crime and ending up in hospital with a serious, or even worse, a fatal injury. Don't let this be you or a loved one. #OperationSceptre

South Latest Updates

The Hyde Newton Team have been visiting local primary schools having discussions around railway and road safety.

Thank you for having us years 4 5 & 6 Oakfield Primary School, Bradley Green Primary School & Flowery Field Primary School - Stay safe!!

Thank you to the Grafton Centre in Hyde for inviting us to your Halloween party. It's always a pleasure spending time getting to know valued members of the community and supporting the great work that you do!

**Seized used in crime **
Officers have attended reports of a suspicious moped being stored in a garden in the area of #Newton Hyde. It didn't take long to find this! Officers seized hand tools surrounding the vehicle that could be used to commit further crime - Out of area keeper - No insurance

PCSOS visited Arundale Community Primary School this afternoon having discussions regarding road safety. They have then conducted a knife sweep in the forest and grass areas surrounding the school as part of Op Sceptre.

Remember, you can always report information to the Police anonymously through **CrimeStoppers** (0800 555111)

West Latest Updates

local Droylsden Neighbourhood policing team & locals from #Droylsden braved the freezing weather with families/friends to watch the Droylsden Christmas light switch on, outside the Concord Suite. The local Neighbourhood policing team were at the event with local ward councillors – Cllr BOYLE & Cllr QUINN. The evening was very successful with no incidents reported to the police.

On 28/09/2022 at around 16:30hrs, PC Smale and PC Mason detained a 14 year old male for going equipped.

Three Moped/scooters made off from Police on Two Trees Lane onto Stockport Rd Denton with 2 males on board all of them wearing balaclava's. Two males have walked back up the Rd and attempted to evade patrols, however our officers gave chase on foot and managed to detain the suspect and stop search him. They found a balaclava, screwdriver and work gloves on him, resulting in his arrest for going equipped and he was charged with a court date.

**** SEIZED **** Another troublesome moped has been seized in the Denton area. This moped has been evading Police for several months and was evidently being used in crime by juvenile riders. A short pursuit by response colleagues ensued in the St. Lawrence Road area and the vehicle was found abandoned. Positive action will be taken by Officers prosecuting offenders and subsequently seizing these types of vehicles.

#OperationSceptre The Denton North East Neighbourhood Policing Team located this multi-tool at Victoria Park, Denton during a weapon sweep this morning. Is carrying a knife worth yours or someone else's life?

During a weapon sweep the Denton South Neighbourhood policing team located this knife on Mancunian Road , Haughton Green, Denton. #OpSceptre
